

PURPLE PATCHES, INC. CHARITABLE GIFTS NEWSLETTER

Mrs. Monica Moore-Stuart has made progressive endeavors through her non-profit, Purple Patches, Inc., to assist victims of domestic violence to escape the dangers they face, relocate to another city to begin a new life safely, and assist victims with learning coping skills to recover the life they have after domestic violence situations. Today, Mrs. Stuart is reaching out in hopes of achieving financial partnerships to enhance the resources available to domestic violence survivors and their children.

Mrs. Stuart currently has partnerships with Family Justice Center in Monroe, La., as well as Louisiana Coalition in Baton Rouge, La. and WellSprings in Winnsboro, La. Mrs. Stuart's current goal is to acquire a discreet property to increase the number of women and children she is able to assist in escaping domestic violence.

Purple Patches was founded in 2018 when Mrs. Monica Moore-Stuart discovered she suffered brain damage similar to a football player from an abusive relationship Mrs. Stuart had never spoken about once she escaped it. Mrs. Stuart saw the need to empower women to recover their life for the purposes of mental and physical health.

Mission Statement: Purple Patches, Inc. seeks to help abused women recover, reinvent, and reinvigorate themselves after years of abuse.

Interested in partnering financially with Purple Patches, Inc. Contact Mrs. Stuart at: purplepatchesinc@outlook.com or Call: (214)259-6118
